- Ensure your checked bags are properly identified.
- Please do not pack valuables in your checked baggage. Excess valuation may be declared on certain types of articles. Special rules apply to fragile, valuable or perishable articles.

	Maximum overall measurement (Length + Width + Height)	Maximum Weight
Economy Class (view complete baggage allowance)	158cm 62"	23 kg 50 lbs
Executive Class Executive First Up to 3 bags	158cm 62"	32 kg 70 lbs

Bags weighing between 24 kg - 32 kg (51 lbs - 70 lbs) will be subject to additional charges payable at the airport.

Before You Go: A 'To-Do' List**Travel Documents**

For **air travel within Canada**, Air Canada is required by federal government regulations to check identification at the departure gate for all passengers who appear to be 18 years of age or older. The name on the identification must match the name used on the Itinerary/receipt. The passenger must present: one (1) piece of government-issued ID with photo or two (2) pieces of government-issued ID without photo. For **air travel between Canada and the United States**, all passengers including Canadian and U.S. citizens, are required to present a valid passport or other valid travel document. In addition, passengers must present this Itinerary/receipt to immigration authorities upon request. For **air travel to a foreign country**, passengers must ensure that they have all necessary travel documents such as a passport or visa, as directed by embassies and consulates. All passengers are advised to view the [Travel documentation](#) page for important information on identification required for travel.

Carry-on Baggage Policy

Oversized carry-on bags are not permitted on our aircraft, and may cause flight delays for all passengers. Please ensure your carry-on bags are inside the maximum allowed size as indicated below; **they are required to fit in the double-size verification device** at check-in or boarding time.

You may carry onboard items which fall within the 2-piece carry-on allowance: One (1) carry-on bag or suitcase (wheels and handles included in the size) and one (1) personal article like a briefcase, laptop computer, diaper bag, camera case, cartons or other similar item. Learn more about [Carry-on Baggage](#) restrictions.

Checked Baggage Policy

Ensure your checked bags are properly identified. Please do not pack valuables in your checked baggage. Excess valuation may be declared on certain types of articles. Special rules apply to fragile, valuable or perishable articles. The baggage allowance rules stated herein do not apply to passengers who have specifically declined the checked baggage option. Learn more about Checked Baggage restrictions.

Travel insurance

Protect your travel investment and also protect yourself against the high cost of medical expenses while out of province. Purchase travel insurance online from RBC Travel Insurance Company via Air Canada or by calling 1-866-610-7102. Enjoy your trip knowing you are properly protected.

Travel insurance purchased is solely and directly offered, provided and underwritten by RBC Travel Insurance Company ("RBC"). Air Canada expressly disclaims any responsibility in regard to any travel insurance purchased by the customer from RBC Insurance.

Check-in and Boarding Times

- You must obtain your boarding pass and check in any baggage by the Check-in Deadline shown below. We recommend allowing plenty of time at the airport for check-in - especially if you have baggage - and for security checks.
- Additionally, you must be available for boarding at the boarding gate by the Boarding Gate Deadline shown below. Failure to respect check-in and boarding gate deadlines may result in the reassignment of any pre-reserved seats, the cancellation of reservations, and/or ineligibility for denied boarding compensation.
