

Louise Morrin, BSc (PT), MBA

Louise Morrin is the Senior Provincial Director of the Kidney Health Strategic Clinical Network. This role involves working with a broad range of stakeholders to identify opportunities to improve the quality of kidney care in all its dimensions across the continuum, develop and implement innovative solutions and create sustainable health care for Albertans. Louise Morrin completed her BSc (PT) and MBA at Queens University and has over 30 years experience in health care with a diverse background in clinical practice, administration, teaching and research in the areas of cardiovascular health, stroke and chronic disease management.
