

Table 6: Monitoring Indicators

Table 6: Comparable maternal-fetal indicators available on AHS tableau

	MNCY SCN monitoring indicator	Comparable existing indicator in AHS tableau
1	Caesarean section rate without medical indication (e.g., labour, others) by gestational age	<ul style="list-style-type: none"> Obstetric delivery and newborn dashboard (birth site based): cesarean section, vaginal birth after c-section (VBAC), and induction <ul style="list-style-type: none"> If interested in this indicator, email seija.kromm@ahs.ca.
2	Proportion of women with prior caesarean section attempting vaginal birth with a trial of labour (successful/ unsuccessful)	<ul style="list-style-type: none"> Obstetric delivery and newborn dashboard (birth site based): cesarean section, vaginal birth after c-section (VBAC), and induction <ul style="list-style-type: none"> If interested in this indicator, email seija.kromm@ahs.ca.
3	Rate of induction of labour without medical indication by gestational age (GA)	<ul style="list-style-type: none"> Obstetric delivery and newborn dashboard (birth site based): cesarean section, vaginal birth after c-section (VBAC), and induction <ul style="list-style-type: none"> If interested in this indicator, email seija.kromm@ahs.ca. Obstetric delivery and newborn dashboard (birth site based): cesarean section, vaginal birth after c-section (VBAC), and induction by GA <ul style="list-style-type: none"> If interested in this indicator, email seija.kromm@ahs.ca.
4	Screening rate for postpartum depression (PPD) following delivery within first year postpartum	<ul style="list-style-type: none"> Percentage of mothers Screened for PPD (EPDS Score 13+) <ul style="list-style-type: none"> If interested in this indicator, email seija.kromm@ahs.ca.
5	Proportion of women with a positive screen for PPD (greater than or equal to 13 on the Edinburgh postnatal depression scale) within first year post-partum and referred	<ul style="list-style-type: none"> Positive screen for PPD (≥ 13) and referred <ul style="list-style-type: none"> If interested in this indicator, email seija.kromm@ahs.ca.
