

Community Based Naloxone Program: Walk-in clinics

Walk-in clinics across Alberta can supply naloxone, a drug that can temporarily reverse a deadly fentanyl overdose and has been proven to save lives. Below is a listing of walk-in clinics, current as of **August 24, 2018**.

This listing will be updated monthly or as changes are necessary. For more information call Health Link at 811 or email us at Naloxone.kit@AHS.ca.
