

Cancer Care Alberta

April 1, 2023 - March 31, 2024
unless otherwise noted.

Leading care through compassion, courage, learning and discovery

Cancer Care Alberta reduces the impact of cancer on all Albertans and provides expert care and support for patients from their first symptom to survivorship. Our goal is to be a leader in cancer prevention, diagnosis, treatment, survivorship and palliative care, all on a foundation of worldclass research.
