Edmonton North PCN

COMMENTS

- Work group is meeting monthly.
- The referral guidelines have been mocked up, reviewed and accepted. They have been posted on the Alberta Referral Pathways website as well as on the Alberta Urology Institutes website. Clinical Pathways are being developed with the first being for recurrent UTI. Alberta Urology Institutes business processes are being reviewed by a project manager and business analysts. Recommendations for improvements will be made in February 2016 regarding workflow, referral management, waitlist management and wait time managements.
