

PEDIATRIC SURGERY

Pediatric surgery is a subspecialty involving surgery of children from birth to 17 years old in Alberta. Pediatric surgery clinics provide assessment, diagnoses, and treatment services including child and parent education as well as follow-up and support to the child/family with long-term surgical problems.

PARTICIPATING SITES

Pediatric Surgery Clinic, Alberta Children's Hospital, Calgary
Pediatric Surgery Clinic, Stollery Children's Hospital, Edmonton

COMMENTS

- Provincial referral guidelines are in development - working on mapping to SNOMED CT and pairing with pediatric GI guidelines
