## ADM MEDITECH UPDATE NEWS

Q: **Where are the reports I use?**

A: There are two kinds of reports in the Meditech world.
1. Those reports that are listed under REPORTS- come with the system and are created by Meditech
2. Those reports that are listed under CUSTOM – are written by AHS report writers. Reports that have been created as per a request.

Due to the amount of reports we are asking that you please take some time and review both the "REPORTS" and "CUSTOM REPORTS" prior to go live.

Should you be unable to locate the report in question please note
1. Location
2. Is the report missing from "REPORTS" or "CUSTOM REPORTS"

a.   CUSTOM which zone?

3. What is the name of the report as it is listed.
4. Forward above information to MEDITECH 5.67 HELP

Q: Where are the LABELS for printing ?
