To: AHS Medical Leaders & Medical Staff
From: Dr. Francois Belanger
Re: Zone Medical Director, Central Zone Expression of Interest

Dear Colleagues,

Alberta Health Services (AHS) is seeking a successful and dedicated medical leader with demonstrated experience in health care operations to lead the Central Zone as a Zone Medical Director. This is an exciting opportunity to join and further enable a dedicated team committed to excellence and enhanced performance. The position requires a 1.0 FTE commitment.

This role is the most senior medical leader in the Central Zone and is a key member of the leadership team within AHS. The Zone Medical Director is ultimately accountable for all AHS Medical Staff-related matters as well as all operational and strategic initiatives

Key areas of focus are, but are not limited to:

- Ensuring the effective, integrated, and seamless delivery of ambulatory/community, acute and continuing care within the Central Zone, and within the provincial health system;
- Developing and successfully implementing Zone integrated plans that align with the vision, values, goals and overarching strategic plans of AHS;
- Managing financial, human and capital resources within the Zone;
- Building, nurturing and facilitating interdisciplinary teams and care models, as well as the relationships necessary for working with diverse internal and external stakeholder groups; and
- Developing and fostering strong connections to the broad academic community.
