AHS seeks volunteers South Zone (West)

SOUTH ZONE – Alberta Health Services (AHS) is looking for volunteers to fill various positions in the Milk River and Crowsnest Pass Health Centres, as well as Chinook Regional Hospital.

Milk River Health Centre

Volunteers are needed to enhance the lives of people isolated in their homes due to physical, social and cognitive challenges. Volunteers should have a strong interest in spending time with seniors, or people living with limitations, and be able to spend time with them on a consistent basis. Volunteers must also be friendly and compassionate. Days are flexible, with a required weekly commitment of one to two hours. Contact Michelle Dube at 403-223-7212.

Crowsnest Pass Health Centre

Enjoy working with the public? Volunteers are needed to greet clients, provide general information and help clients with the registration process. Shifts are available Monday to Friday from 8 a.m. to 12 p.m.

Volunteers are also needed to host residents' birthday parties. Duties include putting up decorations, serving snacks and cake (which are provided), and moving residents to and from their rooms. After the party, volunteers take down decorations and tidy up. Birthday Party Program volunteers are required once per month for two hours.

Contact Megan deBoer at 403-562-5024.

Chinook Regional Hospital

South Zone recently celebrated National Volunteer Week (April 6-12). Congratulations to all the volunteers; we greatly appreciate your dedication, hard work and support. To find out how you can volunteer at Chinook Regional Hospital and our Lethbridge sites, contact Chris Fujita at 403-388-6311.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.
