

2021 Year in Review

Alberta AMH Research Hub

Our vision

Increase addiction and mental health (AMH) research capacity, support AMH research generation, and facilitate the translation of AMH evidence into practice in Alberta.

Supporting research

39
letters of support for
researchers
increasing from 27 in 2020

12 Grant applications with the AMH Research Hub acting as knowledge users or collaborators

4 Publication Grants awarded

Supporting data access

Contributed to
6 data
requests
ranging from grant-funded to *ad hoc* requests

Projects included:

- Opioid use disorder care during COVID-19
- Cannabis hyperemesis syndrome in Alberta
- AMH visits with a substance misuse diagnosis
- Number of inpatient AMH clients in South Zone who also visited a hospital in another Zone

New data resource:

[Accessing AMH Data at AHS](#)

Supporting networking & information sharing

254
members

12
email notices
for sharing information with members

4 >>>>>>
issues
of our On The Horizon newsletter

2021 newsletter topics:

- Clinician mental health & burnout

Supporting knowledge translation

Held our
second webinar series
with presentations from the Albertan recipients of CIHR's Knowledge Synthesis Grant on COVID-19 in Mental Health and Substance Use

May webinar:

182
registrants

Launched our updated website

www.mentalhealthresearch.ca

Looking forward to 2022

- Strengthen our role within the integrated Provincial AMH portfolio
- Build our mandate and strategic planning
- Alignment and stronger ties between research and practice
