

# Provincial Partner Oversight Team News

February 2024

## Immunizations Delayed At Your Facility?

- If any of your residents and staff were not immunized in the fall with influenza or COVID-19 vaccine due to an outbreak, illness or personal choice (and now have changed their minds), it's not too late to immunize. Contact us at [congregatelivingimmsupport@ahs.ca](mailto:congregatelivingimmsupport@ahs.ca)
- Residents eligible for a dose of COVID-19 vaccine need to wait 3 months if a COVID-19 infection was confirmed via PCR or Rapid Antigen test.
- A spring COVID-19 campaign is being considered based on the [National Advisory Committee on Immunization \(NACI\) recommendations](#) and approval from Alberta Health.

## Back to Basics: Prevent the Spread

Have you recently been exposed to a respiratory illness or feel unwell?

- Practice respiratory etiquette by covering your cough, sneezes and by wearing a mask in public.
- Remember proper hand hygiene.
- Stay up to date with your seasonal immunizations.
- Staff should stay home when sick.
