

Medical Leadership Resources Corner

- In this section, we will feature a resource (or two) that is useful to Medical Leaders. If you have a suggestion of what we can share, email: edm.medleadership@ahs.ca.
- **AMA Physician and Family Support Program (PFAP)**
 - Help is available to physicians through the Alberta Medical Association (AMA) [Physician and Family Support Program \(PFAP\)](#)
 - The Physician and Family Support Program provides confidential support and help with personal health issues and enhances the quality of patient care and public safety by promoting health and well-being for the medical profession that cares for all Albertans.

Save The Dates—Virtual Medical Leadership Orientation

- We are excited to announce the dates and topics for the 2021 Virtual Medical Leadership Development Series. After successfully launching in 2020 as a (temporary) replacement for the full-day Medical Leadership Orientation, we have extended the series for the first half of 2021.
- We look forward to continuing the conversation as a community interested in further developing leadership skills. Please feel free to extend this invite to any colleagues who may have an interest in leadership (they do not need to be in a formal medical leadership role to participate).
- See you in the upcoming sessions—Dr. Curtis Johnston & Tracy Robar
