

Building a better health system with the voice of our community

Where we are

The Prairie Mountain Health Advisory Council area stretches from Didsbury in the north to Lake Louise in the west and continues eastward to towns such as Lomond and Hussar, and southward to Claresholm. Communities in the area include Calgary, Okotoks, Vulcan, Canmore, Airdrie, High River and Gleichen. Our Council area is within the traditional meeting place of the Blackfoot people and the people of the Treaty 7 region in Southern Alberta, which includes the Siksika, the Tsuut'ina and the Stoney Nakoda First Nations. The City of Calgary is also home to Inuit and Métis Nation of Alberta, Region 3.

Accomplishments

- Partnered with AHS to host [Community Conversations](#) in Okotoks and Canmore (2019). Stakeholders engaged in discussion about healthcare successes, challenges and opportunities for future partnerships.
- Provided feedback to AHS on COVID-19 vaccine rollout, Emergency Medical Services (EMS), Helicopter Emergency Medical Services (HEMS) and Patient Journey Map.
 - Contribution to [Calgary Zone Healthcare Plan](#).
- Zone Operation Committees include Primary Care Network Committee and HealthLink Advisory Council.

Our role and objectives

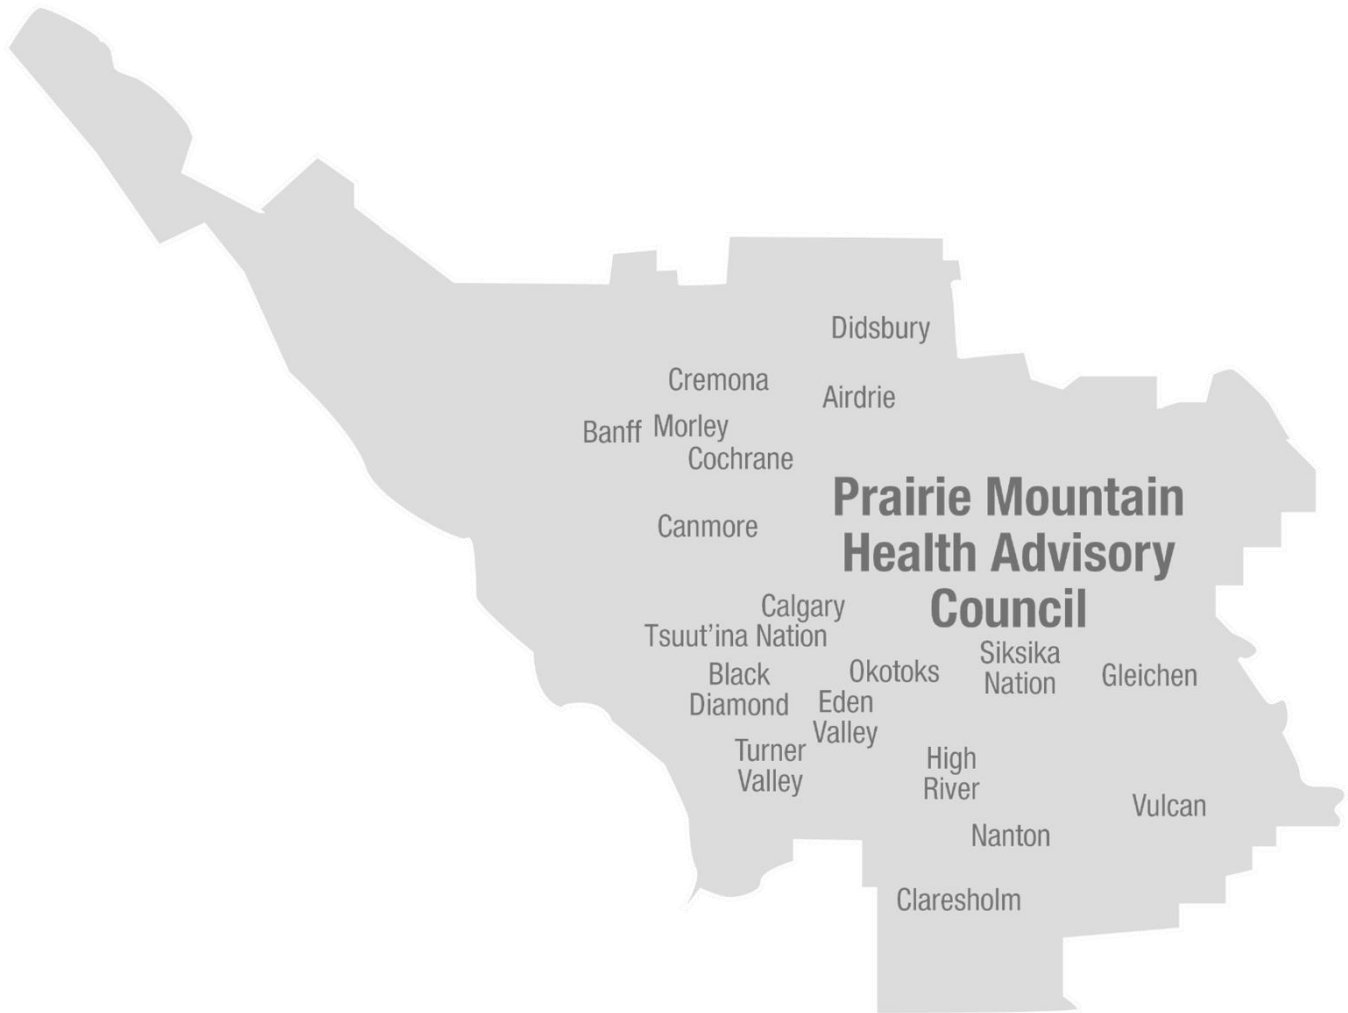

Everything we do is about improving the health and wellness of Albertans, no matter what part of the province they live in. We:

- Are a group of volunteers focused on listening to your thoughts and ideas on health services to help AHS enhance care locally and province-wide.
- Develop partnerships between the province's diverse communities and AHS.
- Provide feedback about what is working well within the healthcare system and suggest areas for improvement.
- Promote opportunities for members of our local communities to get engaged.
